Lions Helping Lions

Lion Sandra Wilson

Many in the Lions family know of Sandra, her work, her dedication and her generosity of spirit. She was recognized as Lion of the Year in 2007 - 2008 for District 49A. She is currently heading up the Vision Screening for our district and has done a great job each year coordinating efforts at the state fair! Sandra is an active member and past president of the Eagle River Lions Club.

What you may not know is the difficulties she and her family have faced over the past few years. Both she and her husband were unemployed for most of 2009 and she has suffered a series of heart attacks over the past 12 months. All this while continuing to care for their son who is visually impaired, but more importantly has other life threatening medical conditions.

In recognition of Sandra's dedication and commitment to the Lion's organization and her willingness to serve others, we would like to assist her and her family and lend a hand to help deal with the financial crisis her family is facing by hosting a spaghetti fundraiser. Please come and join our celebration of Sandra and her family and thank them for their continued service to our community even during their time of need!

Tickets may be purchased at the door for \$5 each, donations of noodles, sauce, garlic bread or salad, dessert, utensils, plates, or other items are also welcomed to help offset costs in addition to financial donations. For donations contact Colette Moring (907) 278-3584.
