Sept. US/Canada Forum

Assistance is needed in a variety of areas.

Sept/Oct Pumpkin Festival

Karen Williams, Chair

Annual Halloween even on the Saturday prior to Halloween. Carnival is at the Spenard Rec Center. The chair usually participates at planning meeting with the zone during the 6 weeks prior to the event. Generally we have the golf booth. Responsible for set up, take down and coordinating the manning of the booth.

Neal Haglund (assist)

Oct/Nov Stockings For Troops

Colette Moring, Chair

Really a Moring family event supported by the Lions. Items donated need to be stuffed into stockings and then are either delivered to the National Guard or mailed overseas. (Assistance is always welcome in obtaining donations of goods to put in the stockings, postage, etc. as well as families to help put the stockings together).

17-Dec Salvation Army Bell Ringing

NEED NEW

Come ring the bells on the Saturday before Christmas! It is ALWAYS the Saturday before Christmas EVERY YEAR! Tis a Lions Tradition (and maybe even a Toddy at Club Paris if your name is Frank Reed). We need people to wear the Lions Costume, families to sing carols (if they dare), and all around fun at the 5th Ave. Mall, Nordstrom, and Penney's walkway. Usually 10 am - 4 pm.

April MD Convention

Help with the planning for travel, hotel arrangements and conference registration. Is a great way to get your feet wet and learn MUCH more about the Lions.
